

Hi Karli,

I'm applying for the part time Retail Store Stylist role at the Stellenbosch store.

I know Mikael and have visited the Woodstock store, so I have a genuine understanding of what Fields stands for.

I want to be upfront — my background is more senior than this role typically requires. I've spent close to a decade in premium menswear retail in the US at Brunello Cucinelli and Suitsupply. I'm applying because I'm based in Paarl, I genuinely love the product, and I want to be part of a brand I believe in. This isn't a stepping stone for me — Fields is the destination.

What that means in practice is that I won't need training on how to work a floor, how to engage a customer or how to present product. I'll show up ready, take the role seriously and add value from day one. I'm reliable, locally based and not going anywhere.

I'd love the opportunity to be part of the Fields team in Stellenbosch.

CV attached.

Best,
