PROFILE

Detail-oriented retail and buying professional with experience in sample management, product coordination, supplier communication and buying administration across luxury fashion environments. Background in range building, product allocation, quality control and cross-functional team support. Organised, accurate and comfortable managing multiple priorities in a fast-paced buying department.

EXPERIENCE

Men's Buyer

Brunello Cucinelli | New York, NY | July 2014 to September 2019

- Managed seasonal sample coordination and approval tracking across 12 US boutiques and international suppliers.
- Maintained accurate product records, range boards and seasonal buying documentation.
- Coordinated with international suppliers on sample dispatch, delivery timelines and approval status.
- Conducted product quality checks and ensured all product met brand standards before allocation.
- Managed open-to-buy budgets, product allocation and seasonal range building administration.
- Supported 5 new store openings including product setup, sample coordination and range documentation.
- Travelled to Brunello Cucinelli HQ in Italy each season for sample reviews and product sign-off.

Regional Visual Merchandising Manager, West Coast

Suitsupply | Los Angeles, CA | June 2023 to May 2025

- Managed product presentation, sample organisation and seasonal installation across 6 retail stores.
- Maintained accurate sample and product status records across the West Coast network.
- Coordinated with internal teams and suppliers to ensure timely delivery and correct product setup.
- Kept store environments and back-of-house areas clean, organised and meeting-ready at all times.

Junior Buyer and Assistant General Manager

Suitsupply | Washington DC and Amsterdam, Netherlands | August 2012 to June 2014

- Supported buying team with product allocation, range documentation and supplier communication.
- Managed daily store administration, record keeping and team coordination.
- Buying training at Amsterdam HQ including sample review, product selection and range planning.
