

# **Job Title: Sales Account Executive**

## **Company: OrbitX**

### **Location: Hybrid (Field-based & Remote)**

#### **About OrbitX**

OrbitX is a leading LED lighting manufacturer serving the industrial and commercial sectors, including food packhouses, factories, warehouses, wine cellars, schools, and universities. We are committed to delivering high-quality, energy-efficient lighting solutions tailored to our clients' needs. Our lights are uniquely direct-driven and is characterised by up to 8-year guarantees, light quality that mimics sunlight and minimum life cycle costing.

#### **Position Overview**

We are seeking a driven and self-motivated Sales Account Executive to join our growing team. This role is ideal for an individual who thrives in a results-driven environment, enjoys building relationships, and is comfortable managing their own schedule.

#### **Key Responsibilities**

- Proactively identify and develop new business opportunities through cold calling and networking
- Schedule and attend client meetings across various industries
- Conduct on-site assessments and measurements for lighting requirements
- Prepare and present tailored lighting solutions to clients
- Build and maintain strong, long-term client relationships
- Manage and grow an existing client base
- Meet and exceed sales targets
- Maintain accurate records of client interactions and sales activities

#### **Minimum Requirements**

- Proven sales experience (preferably in B2B environments)
- Own reliable vehicle and valid driver's license
- Strong communication and presentation skills
- Good computer literacy (Microsoft Office and CRM systems)
- Ability to work independently and manage your own schedule
- Willingness to travel and meet clients daily
- Affinity for technical products and a practical inclination

#### **Advantageous (Not Required)**

- Experience in the lighting, electrical, or construction industries
- Technical understanding of electrical or lighting products

#### **What We Offer**

- Hybrid working model with flexibility
- Opportunity to plan and manage your own day
- Full product and lighting training provided
- Supportive and growth-focused environment
- Competitive basic salary with commission structure
